

## Non-LGH user tip sheet

LG Health's CME office has partnered with Electronic Education Documentation System or  to enhance our CME program. Here's how to create a free account in order to register your attendance and download a certificate at no cost.

1. Go to [www.lghealth.org/cme](http://www.lghealth.org/cme)
2. Click [Non-LGH: Sign in Here for Credit and Certificate](#)
3. At the Home screen, hit [create a free account](#) (If you already have an eeds account, see next page)
4. You will be asked questions to create your free account
5. Once your account is created, you can sign in to an event or download a certificate at no cost
