

Guidance for People with COVID-19 and their Contacts

9/1/2020

- Quarantine keeps someone who is not yet sick but has been in close contact with someone who has COVID-19 away from others.
- Isolation keeps someone who is sick or has tested positive for COVID-19 away from others, even in their own home.
- Symptomatic students/staff should not report to school/work if they are ill, including having a COVID test pending for themselves.
- Consideration for COVID testing is based on symptoms and exposures
